

Wave 4 Early Data Release - Access Fee

Data collection will continue in late 2024 and 2025 with progressive roll out to the remaining cohort. While the complete dataset is still being collected, we are pleased to offer this first tranche of data.

Dataset	Early Data access fee*	Normal access fee*
Wave 4 Phase 1 data only	\$4,687	\$8,370
Add Wave 4 Phase 1 to any existing 45 and Up project	\$2,344	\$4,186

Please note this is a guide only. We encourage you to send an EOI or contact the 45 and Up Coordinating Centre 45andUp.research@saxinstitute.org.au for more precise costings.

All access of 45 and Up Study data is through the SURE workspace which provides a safe virtual workspace. For details refer to the [SURE Fee Schedule](#).
